LPE provides comprehensive logistical, grant management, and peer review support for numerous concurrent grant competitions across OPE programs. We're experienced in the certification and accreditation process and stay current on FISMA, OMB Circulars, Presidential Directives, and NIST standards. We ensure all grant administration activities comply with federal requirements and that applicant data and materials are protected, secured, and encrypted.

We support the full grant competition lifecycle, coordinating and running meetings, webinars, and conference calls to keep all stakeholders aligned at every phase.

**CLIENT**  
**U.S. Department of Labor**  
*Office of Apprenticeship  
Early Childhood Education*

LPE played a significant role as an Industry Intermediary in promoting Registered Apprenticeship (RA) programs for the early childhood education (ECE) workforce. In addition to providing outreach and technical assistance, the LPE team contributed to project management, RA subject-matter expertise, workforce development subject-matter expertise, and connections to the public workforce system.

LPE supported the development, registration, and launch of high-quality, supportive, and equitable RA programs. LPE led outreach and education efforts to communicate the economic imperative of early childhood education across industries.

**CLIENT**  
**U.S. Department of Health and Human Services**  
*Substance Abuse and Mental Health Services Administration*

LPE delivered comprehensive logistical, planning, and administrative support for meetings, training sessions, workshops, and conferences of varying sizes and complexity. LPE coordinated administrative services that support the development and production of high-quality meeting materials, expert analyses, publications, reports, and multimedia products aligned with SAMHSA's program priorities and strategic initiatives.

LPE's support encompasses end-to-end event management, including logistical planning, materials development, trade show coordination, and on-site or virtual execution of Center for Substance Abuse Prevention (CSAP)-sponsored and co-hosted events.

**CLIENT**  
**U.S. Department of Health and Human Services**  
*Health Resources and Services Administration  
Organ Procurement and Transplantation Network*

LPE delivered technology-driven and data-informed meeting solutions for the Organ Procurement and Transplantation Network (OPTN) Board of Directors, Finance Committee, Nominating Committee, and Executive Committee meetings. Leveraging advanced virtual and hybrid event technologies.

We planned and managed hybrid and fully virtual meetings for up to 200 participants using web-based conferencing systems. We managed the end-to-end lifecycle of over 40 webinars, conference calls, and executive-level meetings, including online registration, live streaming, technical production, and video recording and editing.
